Financial Assistance Guidelines

2024-2025

A limited amount of financial aid is generally available based on the success of fundraisers, the generous giving from Pacific Christian Academy donors, and other factors. Assistance is applied to tuition and is based on determined need.

Applications are reviewed and granted annually – that is, families must reapply each year and the level of assistance given in any one year does not guarantee assistance in a subsequent year. The overall level of financial assistance provided is subject to availability of funding.

To apply for Financial Assistance, please complete the following:

1. Complete the online application through FACTS
 - Applications for the 2024/2025 school year are currently available online at www.online.factsmgt.com/aid
 - Their system features:
 - An easy-to-complete online application,
 - A secure environment that protects your personal information,
 - A single application for multiple children, and
 - Skilled representatives who can answer all of your questions.
 - **All** documentation must be received in the FACTS office in order for your application to be complete and considered for assistance.
 - For specific questions about the FACTS process, feel free to call their corporate office toll-free at (866) 315-9262.
2. In the FACTS application, you must complete the “tell why” section and explain to the committee why you are requesting tuition assistance, and how much you can afford each month.
3. 30 hours of volunteer work at Pacific Christian Academy must be completed for returning applicants.
4. If your student is not currently enrolled at Pacific Christian Academy, you must complete the enrollment packet to have your application reviewed by the financial aid committee. Please contact Eileen Wilson at ewilson@pacificchristianwa.com to complete this step.

All steps must be completed before the assistance application is reviewed.

And my God shall supply all your needs according to His riches in glory by Christ Jesus.
