High School Scholarship Program Application

In addition to filling out this form completely, domestic students must provide all additional documents and meet the qualifications described in the Scholarship Qualification Guidelines. ***Your application will not be considered without all the documents requested.*** Students may apply for multiple scholarships; however, a complete packet must be submitted for each application. Applications are due April 17, 2024 for domestic students entering High School in 2024-2025. Scholarship dollars are only applicable to the tuition of the applicant in the year of award and is not transferrable to any family member, other academic year, or fees on the student's account. A maximum of one scholarship may be awarded per student. Due to IRS restrictions, financial awards are for domestic students only.
