

2024-2025

Dear Parents/Guardians:

Thank you for your interest in Pacific Christian Academy. We are committed to partnering with you in the education of your child, with a desire to see your child flourish as a learner. Deciding which school is one of the most important decisions a parent will make, and we are grateful for the opportunity to immerse your child in an environment of learning and truth based on God's Word

PCA offers an EE through 12th grade opportunity in Federal Way. Our campus provides an environment where students thrive in a dynamic, engaging, and biblically-centered academic community. We desire that our students love and serve God as they understand the needs in our community and world. Our curriculum, activities, events, instruction, and discipleship lead students toward a sense of destiny and equips each to be a visionary leader.

We know that safety is important. Both campuses are secure and regular training and safety and health updates are part of our operational priorities. In addition, students are taught to respect each other; bullying is not tolerated. Due to smaller classroom sizes, teachers are able to care for students as individuals, and partner with parents and guardians/host families in the education process.

Our mission is to offer families a superior Bible-based education that equips students to be socially relevant leaders who are fully prepared for higher achievement. I look forward to the opportunity to discuss our PCA education in greater detail.

If you have any enrollment questions, or are in need of more information, please do not hesitate to contact me at **(253) 943-2540** or via email at **ewilson@pacificchristianwa.com**. I look forward to showcasing our PCA community and assisting you through the enrollment process.

Sincerely,

Eileen Wilson

Pacific Christian Academy COPPA Permission

To Parents of School-Aged Children Under the Age of 13:

In order for Pacific Christian Academy to continue to provide your student with the most effective web-based tools and applications for learning, we need to abide by federal regulations that require a parental signature as out-lined below.

Our school utilizes several computer software applications and web-based services, operated not by this school, but by third parties. These include Zoom, Google Classroom, Quizlet and other, similar educational programs.

In order for our students to use these programs and services, certain personal identifying information - - generally the student's name and email address - must be provided to the web site operator. Under federal law entitled the Children's Online Privacy Protection Act (COPPA), these websites must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. For more information on COPPA, please visit

<http://www.ftc.gov/privacy/coppafaqs.shtm>.

The law permits schools such as ours to consent to the collection of personal information on behalf of all its students, thereby eliminating the need for individual parental consent given directly to the web site operator.

This form, when signed below, will remain in the school office and will constitute consent for our schools to provide personal identifying information for your child consisting of first name, last name, an email address (provided by the school) and username to the following web-operators: Zoom, Google Classroom, Quizlet, and to the operators of any additional web-based educational programs and services which our schools may add during the upcoming academic year(s).

Note: For two-parent households: signature of EACH parent/guardian is required below. The form will be returned if only one signature is provided.

ELECTRONIC INFORMATION SYSTEMS USER AGREEMENT

THE SIGNATURE(S) ON THIS FORM ARE LEGALLY BINDING AND INDICATE THE PARTIES WHO SIGNED HAVE READ THE TERMS AND CONDITIONS CAREFULLY, UNDERSTAND THEIR SIGNIFICANCE, AND AGREE TO ABIDE BY THEM AT ALL TIMES.

Access to electronic information systems (including Internet) is available to the students and staff of Pacific Christian Academy. We are very pleased to provide this access because diverse and unique resources are available to users, contributing to the educational excellence in our school. We believe that this access significantly enhances creativity, collaboration, communication, and sharing of resources. Students in grades 4-12 at PCA are expected to learn Google Classroom for transmission of academic information and assignments.

The Internet is an electronic information resource, connecting thousands of computers all over the world and millions of individual subscribers. For example, students and staff using the Internet have access to:

- 1) Electronic communication with groups and individuals on such topics as culture, environment, the arts, government, etc.
- 2) Information and news from various sources such as NASA, university libraries, and the Library of Congress

With access to information from all over the world comes the availability of material that does not contribute educational value in the context of the school setting. On a global network, it is impossible to control all access students may find. PCA has taken the following precautions to attempt to restrict inappropriate materials on PCA owned devices.

- 1) Hardware and software will be used to screen out inappropriate materials on PCA owned devices.
- 2) Staff and student training in acceptable use of electronic information is provided.

Pacific Christian Academy Acceptable Use Policy

Users must make efficient, ethical, and legal use of the information network, and information services. Any violation of this policy will result in appropriate disciplinary action and confiscation of personal devices used for said purposes on campus. Violations may also be subject to legal action, including any applicable criminal laws.

- Use of the information network and information services is a privilege, not a right.
- Attempts to log into any account or document other than your own, is strictly prohibited.
- Transmission of any material in violation of any U.S. or Washington State law or regulation, or any intellectual property or personal right of any person or entity is prohibited. This includes, but is not limited to, laws and regulations concerning copyrighted material, threatening or obscene material, and material protected by trade secret.
- PCA will determine what appropriate and inappropriate uses are, and its decision is final.
- PCA has the right to review any material stored on the network and to remove any material which is deemed contrary to policy.
- Use of the network for commercial activities, product advertisement, or political lobbying is prohibited.
- Security problems must be reported promptly to a supervisor.
- Vandalism is defined as any malicious attempt to harm or destroy any component of the information networks and information services and will not be tolerated.
- Commission of any violation may result in withdrawal or denial of access privileges to the information network and information services; in addition, school disciplinary action and/or appropriate legal action may be taken.

As condition of my privilege to use the PCA Electronic Information System and to access public networks such as Internet, I understand and agree with the following:

- 1) I understand and will abide by this Internet and User Agreement. I further understand that any violation of the restrictions contained herein is unethical and may constitute a criminal offense or give rise to other liability. Should I commit any violation, I understand that my access privileges to the information network and information services may be denied or withdrawn; in addition, school disciplinary action and/or appropriate legal action may be taken.

- 2) Respect the work and intellectual property rights of others, and I will not intentionally copy, damage, or delete another user's work. I will properly cite my sources when I use someone's information, pictures, media, or other work in my own projects and assignments.
- 3) Respect the privacy of others. I will limit all in-school photography, video, and audio recording to educational use. I understand that this applies to both school technology resources and my personal electronic devices.
- 4) I further understand that PCA administrators have the right to review any stored electronic information and edit or remove any material which they, in their sole discretion, believe may be unlawful, obscene, abusive, or otherwise inappropriate, and I hereby waive any right of privacy and any other proprietary or personal rights which I may otherwise have in and to such material. I understand that the use of the network shall be limited to school approved curriculum purposes.
- 5) I further understand that PCA will not be liable for any direct or indirect, incidental, or consequential damages due to information gained and/or obtained via use of the information resources, including, without limitation, access to public networks.
- 6) I further understand that only software and materials that are supplied by a PCA administrator will be allowed to be installed, copied, or used on any PCA owned computer.
- 7) I further agree that I will NOT change set-up files on ANY computer including groups, colors, printer selections, or any one person's set-up format, and that I will not be permitted to use e-mail or any file exchange program without prior approval.
- 8) I agree not to use in any fashion or form of the school name, logo, crest, or seal.
- 9) I further understand that the Internet access is available to PCA students with instructor permission only. At all times, access will be available to school appropriate sites only with previous approval from instructor.
- 10) I further understand that financial obligation of repairing or replacing damaged or destroyed school property, whether accidental or intentional, must be assumed by the student and/or parent/guardian. This includes any and all computers, printers, monitors, keyboards, scanners, projection devices and all other computer hardware equipment owned by PCA. The program instructor, with the replacement or repair cost at school price, will arrange this repair or replacement. Grades will be withheld until payment is made.
- 11) I will not:
 - Use school technology resources to find, create, or send information to spread lies or misinformation; or harass, harm, or bully others.
 - Use technology to gain unauthorized or inappropriate access to school technology resources.
 - Use, retrieve, store, or send improper language, pictures, or other digital content.
 - Use school technology resources or my personal electronic device to cheat. I will not get or give answers to tests; search for and/or copy answers or information on the internet or other electronic resources contained on or in any technology resource or device; copy and submit someone else's information or assignment as my own; or conduct other similar forms of electronic cheating.
 - Access inappropriate or blocked resources using personal Wi-Fi account, 3G/4G/5G, anonymous proxy sites, or by any other manner while on school property during school hours.
 - Share or post any personally identifiable information about others or myself that could help someone locate or contact others or me. This includes such things as e-mail address, full name, home or school address, phone number, parent's or guardian's names, and school name.
- 12) Online learning spaces and communication and collaboration tools should be treated as a classroom space, and language and behavior that is not appropriate in the physical classroom is not appropriate in online spaces, no matter what time of days those spaces are accessed.

INTERNATIONAL STUDENT CODE OF CONDUCT GRADES 6-12

Students entering PCA will be required to sign the following pledge, which will become a part of their permanent file. When they, and their parents, sign this pledge, they are agreeing to the principles expressed in it. The administration and faculty assumes responsibility for enforcement of the rules and behavior codes. Student conduct outside of school hours or events will remain the responsibility of the parents. However, PCA reserves the right to take action when a behavior outside of school time or events is detrimental to the reputation of the school or affects the overall wellbeing of students in the school.
